"It's refreshing to have a candidate like Rob who cares about both the environment and our communities. He truly understands the success of our economy depends on both."

- Bill Center, owner of Camp Lotus and a former El Dorado County Supervisor

"Camp Lotus by the south fork of the American River is a perfect spot for this event. We're at a critical juncture for our quality of life in this district. If we don't stand up and fight to preserve our natural resources and rural heritage now, it will be too late. The future of Lake Tahoe, the American River Canyon, the Sierra foothills, and our agricultural and ranch lands are hanging in the balance."

- Rob Haswell, Democratic candidate for State Assembly, District 4

Bring your family and friends. Let's make this the biggest political rally ever held in the Sierra foothills!
