

The Savings Accountability and Full Enforcement Act of California (SAFE California) is an initiative that will be placed on the ballot at the November 2012 election to replace the death penalty with life in prison without the possibility of parole. SAFE California will save \$1 billion over the next five years and put the savings towards solving more crimes and getting criminals off our streets.

Please support the SAFE California Initiative!

_____ I/our organization support(s) the SAFE California Act and give permission to use my/our name throughout the campaign.

_____ I want to volunteer! Please add me to your volunteer list

First & Last Name: _____ Email: _____
